

Cupe Local 2 is proud to support Brother Houman Torabi on the RIDE TO CONQUER CANCER

Houman joined The Ride because devoting a weekend to cycling through Ontario is one small way to make a big difference for cancer patients here in Toronto at Princess Margaret Cancer Centre and around the world.

He will be riding for *Conquer Cancer* on June 08, 2019 from Toronto to Hamilton. But it's not the distance that will make a lasting impact... It's the donation support you provide to his Ride. Whatever you're able to give, THANK YOU. Every dollar you donate means a dollar more to conquering cancer in our lifetime.

We can achieve this goal, and it's through your generosity that we'll be able to do it!

Here is Houman Torabi own page link:
